

## Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than 60 years of experience successfully designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to providing new design concepts and top quality to be able to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They enjoy providing products which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and needs along with their comprehension of cleaning applications, together with owners' strong desire to significantly lower cost through productivity gains.

The employees at TREK and their dealer-partners are strongly committed to having both technical support and parts obtainable when it is needed. Their high service commitment is one of the core values in their customer service. Keeping their clients' cleaning equipment ready and working day by day is top priority. The company's top of the line technology delivers dependable equipment that eventually lessens your cleaning cost. The product, the price and the service all work together to make them an industry leader.
