

American Lincoln Part

American Lincoln Part - The American Lincoln division is currently associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery which are known in the business as durable and strong machines that suits the requirements of heavy industry and larger infrastructure. Products made in America; the sales are conducted nationwide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind model of floor scrubber with the Clarke Company which is now also owned by Nilfisk Advance. Their production operations are based in Springdale Arkansas. These scrubbers are available in the market under the brand name "Encore". American Lincoln could supply warranty service, machines and components for these kinds of scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers such as Wal-Mart and Target. The 7765 line has earned the respect of numerous facility supervisors where efficiency and results count. Recently, this particular floor scrubber model has been used by the architects in various construction jobs like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
