

Rockwell Parts

Rockwell Part - The business of AxleTech International is a large supplier of specialty vehicle drive-train systems and components along with off highway vehicles. They take great pride in being a chosen supplier to their customer base. AxleTech strives to exceed and meet their clients' expectations for delivery, quality, service and technology. They believe in working in an environment which encourages the highest integrity with empowered teamwork, along with a persistent pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively utilizing principals of environmental safety and stewardship in how they do business. The business has put different programs in place so as to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with any comments or questions, since they are glad to share and promote this policy with a greater understanding of their efforts. They are very dedicated to improving and preserving the natural environment. AxleTech has an EHS program that not just protects the environment but which also actively protects their neighbors and workers also.

AxleTech specializes in the manufacture and designing of planetary axles used for both commercial and military applications, which can comprise anything from construction equipment to airport ground support. They take great pride in being a ground-breaking drive-train solutions provider as well. AxleTech specifically designs axles so as to meet particular application demands. They have over one thousand different axle specs within their existing offering. With more than 100+ years of experience and history, AxleTech proudly supplies the most complete solution for any of your axle needs. The company is well known in numerous military and commercial applications. They provide complete axle assemblies used for aftermarket replacement requirements, together with servicing axle needs for OE production. Their high mobility ISAS have extra details that could be found in the "ISAS" product selection.
